

Service Termination Policy Opportunity Services

I. Policy

It is the policy of Opportunity Services to ensure our procedures for service termination promote continuity of care and service coordination for persons receiving services.

II. Procedures

- A. Opportunity Services must permit each person to remain in the program and must not terminate services unless:
 - 1. The termination is necessary for the person's welfare and the person's needs cannot be met at Opportunity Services;
 - 2. The safety of the person or others in the program is endangered and positive support strategies were attempted and have not achieved and effectively maintained safety for the person or others;
 - 3. The health of the person or others in the program would otherwise be endangered;
 - 4. Opportunity Services has not been paid for services;
 - 5. Opportunity Services ceases to operate; or
 - 6. The person has been terminated by the lead agency from waiver eligibility.

 - b. A request to the case manager for intervention services, including behavioral support services, in-home or out-of-home crisis respite services, specialist services, or other professional consultation or intervention services to support the person at Opportunity Services.

The request for intervention services will not be made for service termination notices issued because Opportunity Services has not been paid for services.
 - 2. If, based on the best interests of the person, the circumstances at the time of the notice were such that Opportunity Services is unable to consult with the person's team or request

intervention services, Opportunity Services must document the specific circumstances and the reason for being unable to do so.
